

SUPPORTING YOUR BUSINESS WITH NEW LEARNING OPPORTUNITIES

IBANZ COLLEGE – Check out their courses!

Stay ahead with your learning – use the IBANZ College for personal and professional development!

IBANZ College courses have been accredited within the IFA Programme for Structured Training, each with a designated number of points for your annual CPD requirements.

As a registered NZQA Private Training Establishment (PTE), providing specialist qualifications and professional development to financial advisers throughout New Zealand.

IBANZ courses have been developed in partnership with advisers using Adviser feedback.

A combination of hard skills – with a particular focus on risk advice – and soft skills, IBANZ courses will be available in a range of locations across New Zealand. A few examples of courses now offered are below – we strongly encourage you to find out more, and consider adding new skills to your toolkit.

- Principles of Risk Management
- Trade Credit Insurance
- Liability Series
- Commercial Negotiation Skills
- Clear Thinking Workshop
- Problem Solving & Critical thinking
- Understanding Personality Types
- Developing Your Customer Base
- Effective Business Writing Skills
