

## *Sharpies Golf New Zealand Ltd*

---

An offer from Sharpies to members of IFA for price and service advantage when purchasing golfing equipment from the Sharpies Group stores.

Sharpies are located in 6 NZ cities.

- Hastings
- Wellington
- Nelson
- Christchurch
- Timaru
- Dunedin

Each store is independently owned and operated, but all belong to the Sharpies Golf New Zealand Franchise Group.

Every Sharpies shop is manned by golfers who have been in the game for many years and can offer advice based on personal knowledge and acquired skill. Hastings, Christchurch and Dunedin have NZPGA members on staff, whilst the other 3 are manned by amateur golfers on low single figure handicaps or scratch.

The broad range of products we sell is shown on our Superstore web site [www.sharpiesgolf.com](http://www.sharpiesgolf.com) and take the superstore link. You will, in time, be able to buy online with an IFA buyer code. In the first instance use it as a reference for product ranges. As each store is independent, a phone call or visit to the location nearest you will determine the exact stock and range of equipment carried in that store.

As part of the Sharpies ongoing promotions each store has a database of customers who receive regular newsletters, with not only relevant golfing information but also details of current promotions running in individual stores. If you would like to be included on the database of the store nearest you, simply click on the customer registration icon on the website and complete your information.

As an exclusive offer to IFA members, Sharpies Golf NZ member locations will deduct from the advertised retail price a discount of **15% on all products and services.**
